

March 10, 2015

Dear Student Council Advisor,

The Council of 10 at the Academy of Our Lady of Peace invites your students to participate in our annual Elementary School Leadership Conference to be held on Thursday, April 23, 2015 on the campus of the Academy.

The purpose of this yearly event is to explore the dynamics of peer leadership, teamwork and to cultivate the general qualities necessary for successful leadership. The conference is conducted by the Council of 10 at the Academy along with other outstanding student leaders from both OLP and SAHS.

Enrollment for the conference is limited to 10 students per school. As we do at OLP, we suggest that you ask interest students to complete an application in order to be considered for this conference. Once you receive the applications, we ask that you choose students in equal numbers of boys and girls in the 6th and 7th grades. We also ask that you take into consideration if a student has attended our conference in previous years. Please choose students who see their attendance as a means to expand their leadership skills and who are committed to implement what they learn at the conference when they return to their own schools.

The conference will begin with a registration period at 8:30 a.m. Please report to the gate at the end of Oregon Street. Workshops and activities will follow from 9:00 a.m. to 1:45 p.m. Students should be picked up at 1:45 p.m. Lunch and refreshments will be provided. Students are asked to wear their school uniform and **must** wear tennis shoes due to one of our planned activities. No fee is required for attendance at the conference.

Teachers are welcome but their attendance is not necessary. Teachers who choose to attend may tour the campus, speak with the faculty, participate in the conference or relax in the faculty lounge, library or on the grounds of the campus.

Because of the timing of Easter Break and the ESLC, it would be VERY helpful to the planning process for the Conference, if the list of attendees could be submitted BEFORE Easter Break – hopefully by Tuesday, March 31. We appreciate your consideration.

The cultivation of leadership skills is of great importance in the world today and in the future. We encourage you to participate in our conference.

Please respond using the instructions on the following form.

Sincerely,

The Council of 10
Academy of Our Lady of Peace
